### *Valley Community Bank Relocates Livermore Office*

Pleasanton, Calif. – Valley Community Bank announces that its Livermore, Calif. office has relocated to 2300 First Street, Suite 100, Livermore. The office is in the heart of the city's newly-refurbished downtown, in the same block as the Bankhead Theater and Livermore Cinemas.

“The City of Livermore has put tremendous effort into encouraging business growth in this area and we are delighted to be in this bustling and visible location, near a variety of restaurants, clubs and coffee shops,” say Senior Vice President Randy Ruddach. “As there are no other banks located in this part of town, we anticipate becoming a resource for the community as well as for our business customers. We have a fully-lit and accessible ATM, so that pedestrians can walk up and obtain cash for their evening's entertainment. We also have plenty of parking available in the newly-paved area behind the bank.”

“Though some of our offices serve customers primarily by telephone and online, the Livermore office has always enjoyed significant foot traffic and face-to-face interaction with customers,” adds President and CEO Rick Loupe. “We feel certain that they will appreciate the convenience of our new centrally-located place of business and we look forward to greeting them there.”

All Valley Community Bank personnel at the Livermore location are available at their previous phone numbers. The main Livermore office phone number is 925-243-9600.
