

Valley Community Bank Customers

Effective May 1, 2009, the bank will discontinue its Saturday banking services at the Pleasanton Office and our San Ramon Office will close at 5:00 P.M on Fridays instead of 6:00 P.M.

The successful usage of on-line banking, ATM banking, e-Deposit "remote capture" processing, and the night depository products have replaced and greatly reduced much of what we once did in the branch on Saturdays. Our San Ramon Office has minimal traffic after 5:00 P.M., since it is located in a business park. We will maintain the highest quality of service with all of our value added services.

We appreciate your understanding on this issue. If you have any further questions or concerns, please feel free to contact us at your convenience. We will be happy to work with you to resolve any possible problems these changes may pose for you.

Thank you for your patronage.
